# NOT EVERYTHING ONLINE IS TRUE

Some videos, pictures and stories are made to trick people.

### WATCH OUT FOR:

- Videos that feel too shocking or too good to be true
- Posts trying to make you scared, angry, or rushed
- “Challenges” or dares asking you to do risky things
- Fake profiles pretending to be someone else

### BEFORE YOU BELIEVE OR SHARE, ASK:

- Who made this?
- Why did they post it?
- Is it trying to get clicks, likes, or money?

Don't share personal information. Don't forward things if you're unsure. Talk to a trusted adult if something feels confusing or wrong.
